Beth Ramsey and Margaret Reynolds attended to discuss plans for expanded teen programming during the upcoming school year. The Commission voted to support the plans in any way possible.

A ski trip to Wachusett Mountain was one of the events discussed.

A discussion was held on the Underwood Pool bathhouse. It was voted to see about getting it painted soon.

The Commission voted to appeal to the Capital Budget Committee for funding to replace the fence at the Concord Ave Softball field.

The possibility of advertising at the rink and other facilities was again discussed. It was decided to see what options, if any, are available for revenue generated through ads.

A discussion was held on budgets and revenue. Good weather will be needed for the rest of June to increase revenue via pool membership sales. The weather has been very poor this Spring so far. Some of the summer camps have more openings than anticipated at this date. The 11-month fiscal year revenue total is at an all-time high.

Kathy Ruane gave an update on Joey's Park. A repair project can be planned using whatever funds may be available. We may check a similar playground in Wayland that had repair work completed recently.

The relocation of the Recreation office to the BHS Trailer Park was discussed. The timing of the move is still uncertain but could be within the next two weeks.

Meeting Adjourned: 8:35 p.m.
